So send all these emails to the Resource Unit (currently is Luke Chavez and Kathie Atencio) so they can at least track it...I don't know what Paula's doing...by that I mean, I have no idea if she's running this through the proper channels but keeping those two informed is the best we can do.

Luke/Kathie – it would be a good idea to talk to Paula and try to get this into the process if it isn't already.

Is this going through the right process? I want to make sure it's tapping those who are PIO trained...(media officers are also needed even if they are not but wanted to just put it to you).

Hi All PADs:

Following up on Kelly's email yesterday, please let me know who you can send to assist with comms in the either the EOC in HQ or in Durango. Nancy Grantham is arriving on Saturday in Durango to relieve Melissa Harrison. We also want to send relief and additional people to relieve Christie St. Clair. And, we need relief and additional people to help in the EOC to relieve Jennifer Colaizzi and John Senn. I'm putting together a schedule with names and where people are willing to help. Please respond asap. Thanks!

Subject: REQUEST: Need for media officers in JIC

Hi folks – Please see the note below from Paula regarding incident response and the need for more press officers – at least in the short run.

Regions 6, 8, and 9 already have folks there and are stretched pretty thin. Hoping that some other regions may be able to help out!

Thanks-

Kelly

Could use at least 2-3 additional. I can reach out to other regions too but wanted to put it out to you all first. Could you let me know ASAP?
